

ŠKODA
**SUPERB
SPORTLINE**

ŠKODA
SIMPLY CLEVER

WHAT MAKES THE SUPERB, SUPERB

Comfort usually isn't a metaphor for sportiness. But these two make a thrilling combination inside the ŠKODA SUPERB SPORTLINE. Whether it's slicing through traffic or running shopping errands, this car does it all without breaking a sweat, thanks to its razor-sharp looks and a host of sporty accoutrements, both inside and out.

That's Simply Clever. That's ŠKODA.

TIME TO GET SOME SPORTY CLOTHING

Elegance can also be daring. Dynamic details in glossy black design give the SUPERB SPORTLINE a vigorous attitude. The sports chassis improves the car's aerodynamics as well as your driving pleasure.

REAR VIEW
While the ŠKODA inscription in the back declares the car's roots, the glossy black strip between the full LED rear lights comes exclusively with the SUPERB SPORTLINE. The liftback version also features the glossy black 5th door spoiler.

BADGE
As proof of the car's sports style there's a badge included on the front wings.

DYNAMIC DESIGN
This car can't be overlooked. A glossy black front grille and features to the sides of the air intake in the front bumper are accompanied by darkened fog lamps. The sporty look of your car can be underlined with exclusive 19" Supernova black alloy wheels. The top-end option features full LED Matrix headlights, which offer enhanced road lighting and a higher degree of safety.

**POWERFUL ENOUGH
TO CARRY A LOT**

FOR PILOTS AND CO-PILOTS

The dynamic design continues inside the SUPERB SPORTLINE. The interior offers the atmosphere of the sports cockpit as well as maximum comfort. The car features among other things attractive décor and upholstery, optional Alcantara® covered ceiling in black, multifunctional sports steering wheel in perforated leather, Maxi DOT colour display and LED ambient lighting (with ten colour options) running along the inside of the interior. The optional Virtual Cockpit, which puts all the information you need right in front of your eyes, comes with specific graphics for the SportLine version.

SPORTS STEERING WHEEL

The multifunctional sports steering wheel in black perforated leather with silver stitching allows you to control the radio, phone and alternatively DSG.

STYLE AND FUNCTIONALITY

Front and rear sports seats, upholstered in a combination of black Alcantara® and leather/leatherette with silver stitching, provide maximum comfort even during a dynamic drive. For that maximum sporty feeling, front seats which feature cushion depth adjustment are available as an option. The electrically-adjustable front seats with built-in memory come as standard. The distinctive and extremely durable Alcantara® upholstery is also incorporated in the door panelling.

ŠKODA CONNECT: TAKE THE ONLINE WORLD WITH YOU

To be online fully and permanently means not only having access to entertainment and information, but also possible assistance while on the move. ŠKODA Connect is your gateway to a world of unlimited communication possibilities.

PARKING POSITION

See the exact location of your car from anywhere. MY ŠKODA App shows the address, time and date of parking on your phone.

LOCK & UNLOCK

This feature allows you to comfortably Lock and Unlock your vehicle via MY ŠKODA App no matter where you are. For example, in case you forgot to lock your car, you can easily do so with your smartphone from anywhere.

ŠKODA CONNECT / CAR INFOTAINMENT

The ŠKODA Connect includes two types of service.* Infotainment Online delivers real-time information about traffic and more, Care Connect focuses on help and safety, enabling remote access and control of the vehicle. It also offers assistance for any situation that needs it. The Infotainment Online service is available exclusively in combination with navigation. The SUPERB comes with a new generation of infotainment offering new functions. The Bolero 8", Amundsen 8", and Columbus 9.2" infotainment systems with navigation can be operated via Laura, the digital assistant. This new enhanced and online-based voice control system can answer queries about a wide variety of topics and follows commands. The Web radio feature comes as a bundle in combination with the Columbus and Amundsen infotainment systems.

* These services are accessible within the MY ŠKODA App.

eCALL

An SOS call is made automatically during an emergency on the road. The system can also be activated manually by pressing the red button on the roof console.

ONLINE TRAFFIC INFORMATION

Up-to-date information gives you a perfect overview of every trip. It also enables you to react to new developments, such as roadworks, accidents and traffic jams. Also, local hazard information will warn you in case any inconvenience occurs on your way, such as difficult conditions or limited visibility.

SMARTLINK

With the SmartLink system (ŠKODA Connectivity bundle supporting MirrorLink®, Apple CarPlay, Android Auto) the car's infotainment system enables the driver to safely use the phone while driving. Plus, all installed applications that are certified as safe for vehicles are compatible with MirrorLink®, Apple CarPlay or Android Auto. The latter two are also available wirelessly.**

SHOP / INFOTAINMENT APPS

Thanks to the shop accessible via the infotainment system, you can purchase data plans, extend your ŠKODA Connect licence, and download infotainment apps. For example, you can get a detailed weather report for your current location or anywhere else with the Weather app. Infotainment apps will be regularly updated and more apps will be added over time.

** For further information regarding wireless functionality, contact your ŠKODA partner. For usage terms and compatibility information for SmartLink, visit our website.

**DYNAMIC, EVEN
WHEN STANDING STILL**

CUSTOMISATION

SPORTLINE BLACK INTERIOR

Carbon décor

Alcantara®/leather/leatherette upholstery, front sports seats and sports steering wheel

COLOURS

UPHOLSTERY/WHEELS

The upholstery in a combination of black Alcantara®/leather/leatherette comes as standard.

The black perforated leather/leatherette upholstery and ventilated front seats are optional.

18" Zenith black alloy wheels come as standard.

19" Vega anthracite alloy wheels are optional.

The sporty look of your car can be underlined with optional 19" Supernova black alloy wheels.
