

# ŠKODA KODIAQ SPORTLINE

**ŠKODA**  
SIMPLY CLEVER

## WORK FROM HOME, PLAY ANYWHERE

Your lifestyle may evolve, but sporty style is here to stay. The ŠKODA KODIAQ SPORTLINE makes a convincing case for it. Armed with sporty details inside and out, the car is always hungry for an active workout. Dressed in up to 20" alloy wheels, black ceiling, sports steering wheel, and front sports seats, it's a car that chases milestones and adrenaline with equal ease. With a dynamic character and do-it-all attitude, the KODIAQ SPORTLINE can turn any road into your playground.

That's Simply Clever. That's ŠKODA.

# PERSONALITY TYPE: EXTROVERT

The car's vibrant energy makes it an instant head-turner. Combining stylish elements with the robust SUV body, the KODIAQ SPORTLINE clearly shows off its strong nature. At the same time, the unique exterior features bring dynamism and a sporty touch to its appearance.

## STYLE AND FUNCTIONALITY

The front grille frame in glossy black, external side-view mirror caps and roof railings in black, SportLine badge on the front wings, and anthracite alloy wheels emphasise the car's charisma. The plastic protective elements all around the vehicle grant its desire to share off-road experiences with the whole crew.

#### **LIGHT DESIGN**

The newly shaped KODIAQ SPORTLINE headlights are available in two types in terms of functionality. Equipped with LED lights, both types offer high performance and high energy efficiency. The top-end option comes with full LED Matrix headlights, which represent state-of-the-art technology. The tail lights are fully equipped with LEDs. Fitted with animated turn indicators, TOP full LED tail lights greatly improve the visibility of your car for other drivers. In addition, when you lock and unlock your car, the welcome effect activates the animation feature.

### STYLISH REAR

The rear features inscriptions in black (such as ŠKODA, the model name or 4x4), a robust bumper with black diffuser and decorative exhaust pipe end pieces in a chrome design. The car's dynamic appearance is further accentuated by SunSet tinted windows, which also protect the interior from overheating in sunny weather.

A detailed view of the interior of a Skoda Kodiaq Sportline. The image shows the driver's side, including the steering wheel with the Sportline plaque, the instrument cluster, the infotainment screen, and the center console. The interior is finished in black with white stitching on the leather seats and steering wheel. A red accent line runs along the side of the dashboard and door panels. The car is parked outdoors, with a forest visible through the windows.

## SPORTY IS IN THE DETAILS

Every detail of the new KODIAQ SPORTLINE reflects its energetic attitude. The interior is characterised by high-quality materials and exclusive features in a sporty style. The front sports seats, sports steering wheel with SportLine plaque, Carbon décor, black ceiling, electrically-adjustable driver seat with built-in memory, LED ambient lighting, and many more features come as standard. The Suedia ceiling in black is optional.

#### SEATS AND UPHOLSTERY

The car always features front sports seats, which underline the dynamic interior design. The black perforated Suedia/leather/leatherette upholstery (shown) with silver stitching also comes as standard. The perforated leather/leatherette upholstery (combined with ventilated electrically-adjustable front seats with built-in memory and cushion depth adjustment) is optional.

#### STEERING WHEEL / VIRTUAL COCKPIT

The pleasure of driving a car is enhanced by the multifunctional sports steering wheel in perforated leather. The optional Virtual Cockpit, which can display onboard computer specifications in combination with other information, offers five layouts (views) controlled via the View button on the steering wheel.

#### DECORATIVE ELEMENTS

The interior features a lot of decorative elements, such as double stitching on the dashboard, chrome details, air vent frames in black, and Carbon décor, which emphasises the sporty spirit of the car.

**DOOR SILL STRIPS / WELCOME LOGO**

The decorative door sill strips in the front bear the KODIAQ inscription. The LEDs located on the underside of the front doors, projecting the ŠKODA inscription, illuminate the entry area.

**PEDAL COVERS**

The stylish interior is complemented by sports pedal covers in alloy design. The rubber facets on the pedals prevent your shoes from slipping.
